

Holiday Happenings

It's time to plan holiday fun, and the City of Las Vegas Department of Leisure Services offers plenty of special events and activities for children and adults at our cultural, community and senior centers, parks and other locations. These activities are just a sampling of the programs available throughout the year. Our mission is to provide quality cultural and recreational programs for all valley residents. Look and register for classes, workshops, sports leagues and other activities online at www.clvbeyondtheneon.com. If you need assistance or more information, please call any of the facilities listed in this program or our main office at 229-6297.

Programs and fees are subject to change; please call to confirm.

Participating in recreational activities builds self-esteem, promotes health and wellness and increases cultural awareness and sensitivity. Thinking games help keep us mentally alert.
